## Medical Clearances for Test Staff Patient

To be fully compliant with your medical clearances and to avoid a hold you must make sure you have:

1. Enter the dates of immunization for all immunizations, MMR vaccine must be on or after your 1st birthday
2. Upload a copy of your immunization record (**Required**)
3. If further TB screening info is needed, go to the messages tab and send message "I need further screening"
4. Immunization record and vaccines will not show "compliant" until verified by clinic staff, please allow 2-3 business days for verification

Please note: It is not sufficient to just upload your immunization record. Failure to enter immunization dates will result in a hold.

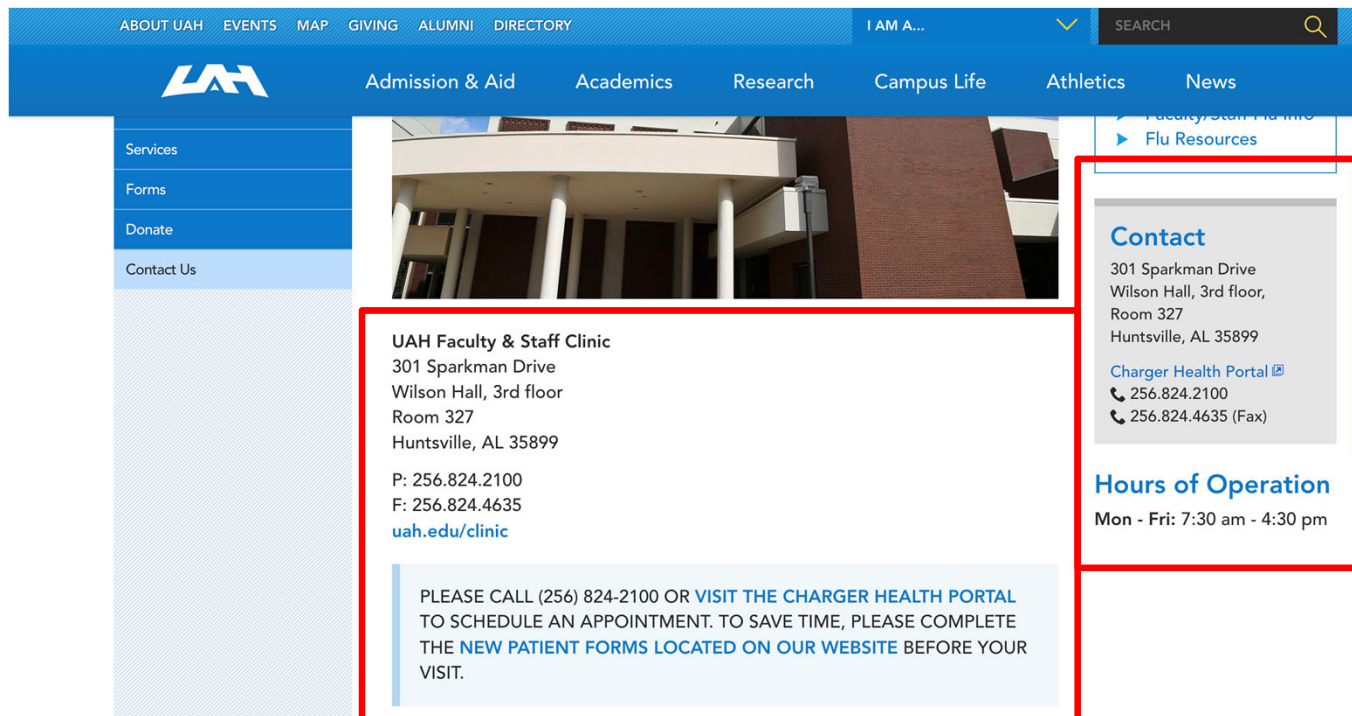

### Items required for clearance:

Clearance	Status
Faculty & Staff New Patient Allowance for Confidential Communications to a Third Party	<a href="#">Update</a> Not Compliant
Faculty and Staff New Patient Information	<a href="#">Update</a> Not Compliant
Faculty and Staff New Patient Medical History	<a href="#">Update</a> Not Compliant
Faculty and Staff Notice of Privacy Practices	<a href="#">Update</a> Not Compliant
