VSP's Laser VisionCareSM Program

*Enjoy the freedom to see without
glasses or contacts.*

If you're nearsighted, farsighted or have astigmatism, are at least 18 years old and in good health with no eye diseases, you could be a candidate for laser vision correction.

Laser vision correction is a surgical procedure, so the decision to have it should be made carefully. Follow these steps to find out if it's right for you.

1. Visit vsp.com

- Get details about the program
- Learn what to expect during surgery
- Locate a VSP Laser VisionCare doctor

2. **Confirm your eligibility.** Before scheduling an appointment, sign on to vsp.com or call VSP at 800-877-7195.

3. **Call your VSP Laser VisionCare doctor** to verify their participation in the program.

4. **Schedule a complimentary screening** with your VSP Laser VisionCare doctor.

If you decide to have laser vision correction, your VSP Laser VisionCare doctor will make arrangements with an approved laser surgeon and center and provide your preoperative care.¹ Post-procedure care is coordinated between your VSP Laser VisionCare doctor and your VSP laser surgeon.

VSP Discounted Pricing

You'll save an average of 15 percent off the regular price at contracted laser centers, or an additional 5 percent off the center's promotional price² — which could add up to hundreds of dollars in savings.

VSP's Laser VisionCare Program is Unique

You'll have peace of mind knowing VSP's doctors and laser centers meet stringent quality standards. Plus, the assurance that your trusted VSP Laser VisionCare doctor will manage your laser vision correction care.

¹While the laser vision correction screening and consultation with your VSP Laser VisionCare doctor is complimentary, if you have a preoperative exam and do not proceed with the surgery, your VSP network doctor may charge an exam fee up to \$100.

²VSP discounts may not apply to some laser center promotional programs.
