Things to keep in mind

- View the IRS contribution limits and a list of common eligible expense items on the PayFlex member website.
- FSAs have a use-it-or-lose-it rule. This means you’ll lose any unused funds at the end of the plan year.
  - The run out period gives you extra time to submit claims to pay yourself back.
  - If your plan has a grace period, you’ll have additional days to use your funds.
- You can change your contribution if you have a change in status.* Such as marital and employment status, number of tax dependents, etc.
- To use your dependent care funds, you must be working. If you’re married, your spouse must either be working, looking for work, a full-time student or incapable of self-care.
- You can change your contribution if:
  - There is a change in your provider
  - There is a change in the cost for a provider
