ID Cards

It's a new year. Depending on the health care coverage and carriers you selected, you may or may not receive an ID card in the mail. This document will help you know what to expect. **If you enrolled in the same plan and carrier last year, you typically won't receive a new ID card. However, all employees who enroll in a UAH Medical Plan will receive new ID cards from Blue Cross and Blue Shield of Alabama before January 1, 2019 because of the return to Prime Therapeutics.**
