

Introducing a new way to save on medicine

Home delivery from Amazon Pharmacy

Amazon Pharmacy offers a home delivery service that lets you easily order and quickly get your non-specialty medicines¹ delivered at home.

And as a member of your health plan, you get access to MedsYourWay™ prescription drug discount card pricing. The prescription discount card² gives you up to 80% savings³ on brand and generic medicines and is seamlessly built into the Amazon Pharmacy experience. You can get the lowest cost available while saving time and money. Using the MedsYourWay discount card is not insurance; however, using it for covered medicines⁴ will also count toward your out-of-pocket maximum.

SHOP **Easy to use**

Amazon Pharmacy makes it easier because it's like shopping on Amazon.com:

SAVE **Built-in drug discount card**

Some drugs may be available at lower prices with a discount card. MedsYourWay discount pricing is built right into the Amazon Pharmacy experience.

- MedsYourWay discount card pricing is not insurance; however, all prescribed and covered purchases, whether paying a copay or using the discount card pricing, automatically count toward your annual out-of-pocket maximum.
