HEALTH SAVINGS ACCOUNT (HSA)		
A Health Savings Account (HSA) is an account established with pre-taxed money in order to save for future medical expenses. Enrolling in an HDHP allows you the opportunity to make contributions to an HSA on a pre-tax basis.		
Maximum Contribution: The maximum contribution amount is indexed each year by the U.S. Treasury. The 2026 maximum contribution is \$4,400 for single coverage and \$8,750 for family coverage. If you have any questions about the benefits of an HSA, please consult your tax accountant.

Useful Information to Maximize Benefits

- To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a provider directory, provider finder website (**AlabamaBlue.com**) or call 1-800-810-BLUE (2583).
- In-network hospitals, physicians and other healthcare providers have a contract with a Blue Cross and/or Blue Shield Plan for furnishing healthcare services at a reduced price (examples: BlueCard® PPO, PMD). In Alabama, in-network services provided by mental health disorders and substance abuse professionals are available through the Blue Choice Behavioral Health Network. Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.
- Out-of-network providers generally do not contract with Blue Cross and/or Blue Shield Plans. If you use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area, the average charge for care in the area or in accordance with applicable Federal law.
- Please be aware that providers/specialists may be listed in a PPO directory or provider finder website, but not covered under this benefit plan. Please check your benefit booklet for more detailed coverage information.
- Prime Therapeutics LLC® is an independent company providing pharmacy benefit management services for Blue Cross and Blue Shield of Alabama, an independent licensee of the Blue Cross and Blue Shield Association.
- Pivot, an independent company, provides a smoking cessation and digital health coaching platform for members of Blue Cross and Blue Shield of Alabama.
- Doctor on Demand by Included Health is an independent company that provides a telehealth mobile app and health services on behalf of Blue Cross and Blue Shield of Alabama.

This is not a contract, benefit booklet or Summary Plan Description. Benefits are subject to the terms, limitations and conditions of the group contract (including your benefit booklet). Check your benefit booklet for more detailed coverage information. Please visit our website, AlabamaBlue.com.
