Congratulations on your retirement from UAH!

Thank you for your service and dedication to the university. While you may be leaving the employment side of UAH, an opportunity is now available for you to stay connected in a different setting.

The UAH Retirees Association is an independent, self-governing organization. The purpose is to serve as a liaison between retirees and the university, to provide support to UAH students through an endowed scholarship, and to enhance the retirement experience for you with programs of interest and opportunities to visit with former colleagues and co-workers.

The UAHRA schedules meetings three times a year. This is an opportunity to visit over lunch with other UAH retirees and enjoy short presentations on a wide range of topics.

Membership in the UAHRA is available on a yearly basis for only \$10, or you may become a lifetime member for \$100. These funds help support our endowed scholarship, which has benefitted multiple students by providing financial assistance as they continue their education.

As a token of our appreciation for your years of service at UAH, we offer you a complimentary membership in the UAHRA during the first year in which you retire. Just fill out the information on this brochure and mail it to the address provided. You may also find this same form and more information at www.uah.edu/retiree.

We look forward to hearing from you, and again, congratulations!

Congratulations
on your retirement
from UAH!
