Judi Rx™

Welcome to the Judi Rx family!

Judi Rx is an innovative pharmacy benefit manager or PBM. Our role is to oversee your prescription benefit plan. We work hard every day to ensure your pharmacy benefit plan is cost-effective and in line with our mission: your health.

What is a PBM?

A PBM is a pharmacy benefit manager. We process prescription drug claims on your behalf. Judi Rx works directly with pharmacy providers and drug companies to make sure you get the medications you need. We strive to provide the right balance of drug access and cost savings as part of your plan.

Transitioning Made Easy!

We are working closely with your current providers to make the move to Judi Rx smooth. We aspire to deliver the best service and resources needed to help you and your family make better healthcare choices each day.

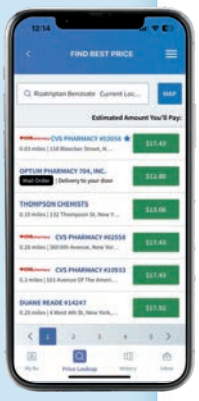

The support you count on today will continue, and Judi Rx will build on it with enhancements to make your experience even better.

Once active with Judi Rx, customer care experts are available 24 hours a day, 7 days a week to support you. You can reach us by dialing the number listed on your ID card.

We maintain relationships with 60,000+ pharmacies throughout the U.S.

Once active with Judi Rx, view and manage your pharmacy benefits with our app.
