Your OLLI President's Message

Gratia Mahony
President

I look forward to my term as OLLI President and to working with the many committees to make this a great organization. Several of the Committee Chairs are continuing in their roles and I thank them for their continued support. I welcome the new OLLI Insider co-editors, Jean Greenwood and Val Seaquist. This Newsletter has interesting information about the various committees as well as the schedule of upcoming events and lots of pictures that document the many things that happen at OLLI.

Rick Sisko is First Vice President of OLLI and in that position he serves as Chair of the Administration and Finance Committee. Linda McAllister is Second Vice President of OLLI and is Chair of the Curriculum Committee. Her Co-Chair is Maxine Doherty and they are well served by a Vice Chair, Val Seaquist. The Events committee is headed by Janet Reville and you will see the results of her Committee's work in the schedule of upcoming events listed in the newsletter. The Public Relations Committee Chair has just

been filled by Richard Brooks.

OLLI looks forward to some great new ideas from this important committee. Chairs of committees who are continuing in their roles are Ken Rex, Fund Development; Leah Black, Social; and Jerry Pang, Member Services. Peggy McClure will serve the Board of Directors as Parliamentarian.

All of these committees are made up of members who help accomplish the goals of the Board. The work of these active and important committees will be featured in this newsletter from time to time. If you are interested in serving on one of the OLLI committees, please contact the Chair of that committee. Participation of every member is what makes OLLI such an excellent organization.

Gratia Mahony, President

"Thank you!" to our outgoing Board Chairs!

Jane McBride, Administration and Finance; Jennifer Brewer, Public Relations; Bob Darnall, President; Gratia Mahony, Curriculum, and Nancy Darnall, Events. Volunteers are at the heart of this organization. We value their contributions and encourage you to join a committee or group that appeals to your interest.

It is our intent to keep you up-to-date with happenings and smiling with lots of pictures. Get those cameras out and snap away (oops, just aged ourselves.) Uh, take those cell phones out of our pockets and take some selfies with your OLLI gang whenever you are having an OLLI good time. Send them to us! Val is the gal for all the cropping, culling, collaging (vseaquistj@bellsouth.net). Jean will nag you for articles (meanjean@knology.net). No one knows what is happening if you don't share the fun!

Social Committee

Leah Black
Chair

The OLLI Social Committee is looking back on a successful year of social events. The events give all OLLI members an opportunity to get together and reconnect with old friends and make new ones. Social interaction has been shown to be an important part of remaining vital and active as people get on with life. We are looking forward to another busy year starting with the Fall Teacher Appreciation Lunch in November at the end of the Fall Term. Traditionally, this has been our pizza party and has been very popular with everyone. Next will be our OLLI Holiday Party in early December. This is always a gala affair. Look for further information on this.

We have a Welcome Back to School potluck after the first week of Winter Term. Many really delicious dishes are brought to share and we provide the main dish or dishes. Winter instructors will be celebrated at the end of the Winter Term in March and then comes our OLLI Annual Banquet in May. The OLLI Potluck Picnic in June is always a popular event.

The Social Committee also helps out with other events during the year. If you would like to become a part of the Social Committee, we are always looking for new members who would enjoy helping with the decorations, planning, set-up, clean-up, etc. We are a fun group who mesh well together and share the work so it makes the job of putting together a great event easy. If you are interested in becoming involved, please contact me at leahblack01@comcast.net.

Want to Donate to OLLI at No Cost to You?

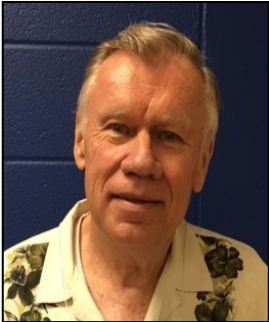

Amazon.com hosts a program, AmazonSmile, which donates 0.5% of the price of eligible *smile.amazon.com* purchases to registered charitable organizations. Our OLLI Treasurer, Dick Fisher, registered Osher Lifelong Learning Institute at UAH, Inc. for this benefit. In order to take advantage of this offer which will steadily accrue benefits to our OLLI program, follow these instructions:

- Before placing your order, go to: smile.amazon.com
- If this is your first “visit” to smile.amazon.com, you will be prompted to register a charity.

Rather than “OLLI”, use the underlined title above as this is how UAH OLLI is listed in the Smile.Amazon charitable organization database. This charity will be attached to your account and you will not have to re-register. Note: you can change your charitable designee anytime you wish.

Thanks to Dick Fisher for setting this up—Let’s watch our account grow!

Administration and Finance Committee

Rick Sisko
Chair

The Administration and Finance Committee is currently working on the budget for our next fiscal year. We will collect information from all Committee Chairs as to their budget requests.

John Burnett, Bob Darnall, David Styers, and Bruce Machamer will be in charge of completing this year's audit for the past year. The focus for our new fiscal year is to provide support to the OLLI organization and to have fun doing so.

Three Things That Enhance Your OLLI Experience

- **Classroom Facilitator:** Each class has an appointed facilitator who is a member of the class. The facilitator's purpose is to assist the instructor with administrative tasks (copying materials, making coffee, making announcements, keeping up with the roll and distributing and collecting the class evaluation forms). If you are asked to be a facilitator for a class you are taking, consider agreeing—it is a great way to get involved with the OLLI experience.
- **Class evaluation form:** At the end of each term you will be given a class evaluation form. Please take the time to provide feedback on the class, the instructor, the facilities, your experience. These forms are very useful to the OLLI administration in improving classes and planning new ones.
- **OLLI Weekly eNews:** Since the *OLLI Insider* newsletter is printed monthly (in some cases, bi-monthly), the *Weekly eNews*—emailed on Friday afternoon—is an excellent way to stay up-to-date on OLLI news.

Member Services Committee

Every month we will highlight a different committee to make our members more fully aware of what these groups do to support OLLI and enhance your learning and social experiences. This month we feature the Member Services Committee which is chaired by Jerry Pang.

Jerry Pang
Chair

Did You Know?

George Thurlow has been a member of the Lifelong Learning Institute since 1992!

WHO is Member Services?

Member Services is a committee of volunteers who are involved in the day-to-day activities at OLLI:

WE — make sure we never run out of coffee to kick start your first class, then to keep you awake in the afternoon.

WE — help you at the OLLI Volunteer Office answering questions or helping when things go “missing”—a lost badge, a favorite pair of sunglasses, or your classroom due to a room change.

WE — publish and distribute (email or U.S. mail) the *OLLI Insider* newsletter to inform you of announcements and upcoming events and share details and pictures of those events with you.

WE — organize the OLLI Photo Contest to explore your hidden creative talent, then showcase your personal masterpieces at the annual OLLI Dinner.

WE — maintain an extensive OLLI Lending Library of DVDs and other media for you to further enhance your personal learning.

WE — nourish you with healthy snacks or tempt you with decadent desserts after the weekly Bonus.

WE—help organize members with mutual interests outside the classroom with our OLLI Member Interest Groups (MIGs). A list of current MIGs and a contact person is on page 3.

We are here to make your OLLI learning experience even more enjoyable.

Preparing for Fall Term and Beyond

Changes, Life is Full of Changes

The Osher Lifelong Learning Institute, and, by extension, all of its members receives many benefits and courtesies from UAH. Among these are the buildings and classrooms that we occupy along with the infrastructure to support the facilities, the parking lot, and the PCS staff dedicated to OLLI's success. Although it is obvious, perhaps we sometimes forget that all of these benefits must be shared and prioritized. Convenient parking has been a difficulty all over campus and to address this the administration has instituted some changes to help the congestion. One thing you will notice when you come on campus is the change to Zoned Parking. OLLI now has a designated area for Commuter Parking.

Unlike employees and students, OLLI members receive a free parking pass each term. Completion of an OLLI Permit Application is required BEFORE a parking pass is issued, therefore permits will no longer be mailed. The application requires vehicle year, make, color, and type. Your driver's license number, state of issue, and license plate number will also be required. T

There are three ways to obtain your parking permit:

1. In person, at the time of registration in Wilson Hall 103
2. During the OLLI Open House, Wed, Aug 30, 2 – 4 pm
3. In Wilson Hall lobby on the day of your first fall-term class

If you are NOT registered for term courses, but plan to attend other OLLI activities on campus, please select one of the following to avoid parking fines:

1. Purchase an OLLI Term Parking Permit at the discounted rate of \$10 from the Registration Office, Wilson Hall 103
2. Obtain a Free Visitor's Parking Pass for up to 1 week from the UAH Police Department
3. Purchase a year-long UAH Parking Decal at the UAH Police Department for \$120

Reminder

OLLI provides free coffee in the OLLI lounge (Room 152-C of Wilson Hall). Sometimes Member Interest Groups or classes meet in the lounge. If there is a class, a class notice will be posted beside the door. Please do not enter the room if a class is in session.

It's paradoxical that the idea of living a long life appeals to everyone, but the idea of getting old doesn't appeal to anyone.

Andy Rooney

Support Fund Committee

Ken Rex
Chair

The Support Fund Committee's goal is to raise money to support the operation of the OLLI program at UAH. Philanthropist, Bernard Osher has created 120 Osher Lifelong Learning Institutes with his philanthropy, but with the caveat that they should become self-supporting organizations. This is why, like most OLLI's nationwide, we have created an annual member donation fund —The Support Fund. For the 2015-2016 year we were fortunate to collect a little over \$14,000 from our OLLI members to help meet the Osher goal. This year, 2016-17, we have exceeded this amount and have a donation rate of 10% of our members. These donations are important to keep the quality OLLI program we have now with its large number of quality courses.

The Support Fund communicates with the OLLI members via emails and written letters a couple of times a year. Perhaps even more important are the reminders the facilitators give at the beginning of all the OLLI classes.

To donate online or get a donation form go to:

osher.uah.edu and select "Donate to OLLI"

Have a suggestion?

We'd love to hear from you! Drop your comments and suggestion in our suggestion box across from the OLLI volunteer office, WH 151.

From *AARP Bulletin*, June 2017:

A new state law allows Alabamians with disabilities to save for their future needs without adversely affecting their benefits from programs like Supplemental Security Income (SSI) or Medicaid. Under the *Achieving a Better Life Experience* (ABLE) Act, people with disabilities can put up to \$14,000 a year into a tax-exempt savings account to pay for expenses that enhance their quality of life. Family members and friends may contribute, and total assets can grow to \$100,000 without disqualifying the account holder from SSI or Medicaid. Previously, people with disabilities were ineligible for such benefits if they had more than \$2,000 in assets. For more information, go to EnableAL.com or call the program toll-free at 866-833-7949.

CURRICULUM COMMITTEE

Linda McAllister
Chair

Did You Know?

OLLI follows the policy of the Huntsville City Schools regarding closure for inclement weather. If the Huntsville City Schools close—even if UAH is open—OLLI will close. This also applies to late starts and early dismissals for weather reasons.

Bring your lunch and visit classmates in the OLLI Lounge. Free coffee, microwave and refrigerator available.

Plan Ahead!

We share parking space with UAH students and faculty. If the Wilson Hall parking lot is full, try the lot between Morton and Roberts Halls. It is a short walk to the rear entrance of Wilson Hall.

Curriculum is the heart and soul of our UAH Osher Lifelong Learning Institute. Even as seniors we still want to learn and we are still curious about so many things. Furthermore, many of our members want the opportunity to share their knowledge and life experiences as volunteer teachers for OLLI.

Your Curriculum Committee has ten Discipline Chairs or teams who arrange for instructors from a wide range of disciplines. They have been busy for the past several months seeking to finalize an exciting array of courses in each of their areas for our upcoming Fall Term which begins September 11. We offer more than 70 courses. The catalog with specific course titles, instructors, and class times is online now. Watch your weekly eNews and emails for that announcement.

Plan also to attend our Open House on Wednesday afternoon, August 30, from 2:00—4:00 p.m. in Wilson Hall lobby. Simple refreshments will be served and you will have an opportunity to register for classes if you have not already done so. You are also encouraged to bring a friend and introduce them to the exciting courses offered at OLLI. And, of course, you will be able to connect with friends old and new and give newcomers a chance to see our OLLI space in Wilson Hall.

As your new Curriculum Chair I am humbled by the honor to serve OLLI as it has been such an important part of my retirement years. I am also indebted to Maxine Doherty, our Outreach Program Manager, and Alice Sammons, Outreach Program Assistant, for the many hours they have spent recently to help develop our Fall Term curriculum and catalog. If you are interested in helping the Curriculum Committee with creating, planning and executing our dynamic course offerings, please let me know of your interest. We are currently in need of a Weekly Bonus Coordinator and we need assistance with our area entitled Leisure & Nature and Skills & Hobbies. You will see a list of Curriculum chairs and team members on the back of your up-coming catalog. Our Committee meets at 1:00 p.m. on the third Friday of each month and my email is wmca@hiwaay.net.

It is going to be another great year of growing and learning with fellow OLLI members.
