## IT IS GREAT TO BE BACK

A new term brings all kinds of excitement. The Back-to-School Kick Off was fun. Members were encouraged to dress in their favorite school colors. I saw a few new faces as well as the usual suspects. There is a large offering of new courses as well as courses repeating because of popularity.

OLLI's President, David Styers, will be teaching 2 courses, *TED Talks: A World of Ideas and Grilling, Chilling, and Tailgating*. This is a perfect way to get to know David! He had an opportunity to attend the Southern Regional Conference for Learning in Retirement (SRCLR) in Wilmington, NC. Together with Jerry Pang, and Fathia Hardy, they put together a presentation, *Building Community and Enhancing the Social Experience*. David brought back with him inspiration on how to stay healthy through learning.

CPCS has hired a new OLLI Program Manager, Ale Pacheco. Please take some time to introduce yourself to her. Also, there is a new photo contest "**Things That Fly**" You can find more details on the bulletin board outside the Volunteer Office, WIL 151.

Being part of a university campus is what makes OLLI so unique. I am an Alumna of UAH, so coming back to campus elicits a few flash backs, and great memories. I want to remind our members especially our new ones that with the OLLI membership you have access to many services available on UAH campus.

Complementary UAH Library Privileges, invitations to UAH Performance and Sporting Events, University Fitness Center, and especially the Campus Dining discount. At the end of the newsletter you will find a map of the campus. This is to help our new members get familiar with the campus as well as highlighting dining venues. The campus is not that big, so take time to do a walk about and get familiar with it.

With a plethora of new course it is impossible to attend them all so, once again, if you are attending a class that you would like to highlight in the newsletter please take a few pictures and send a brief description of the class.

In addition, if you have story you would like to share, especially a member story, send to [OLLINewsletter@uah.edu](mailto:OLLINewsletter@uah.edu), and it will be featured in the **OLLI Life** section of the newsletter. *All October Newsletter submissions are due by **September 17, 2019**.*

**Editor, The OLLI Insider**

**The OLLI Insider article submission deadline is the 17th of each month for the following month.**

# FROM THE PRESIDENT

## FALL TERM IS HERE

Wow! It's September and time for our fall calendar to launch. Your Curriculum Committee has put together a great program of classes, which I hope you will dive into and enjoy. If you get a chance thank your committee for their hard work. Curriculum is one of our largest and most difficult committees to be a part of. They are always working on plans that are

three to four months into the future.

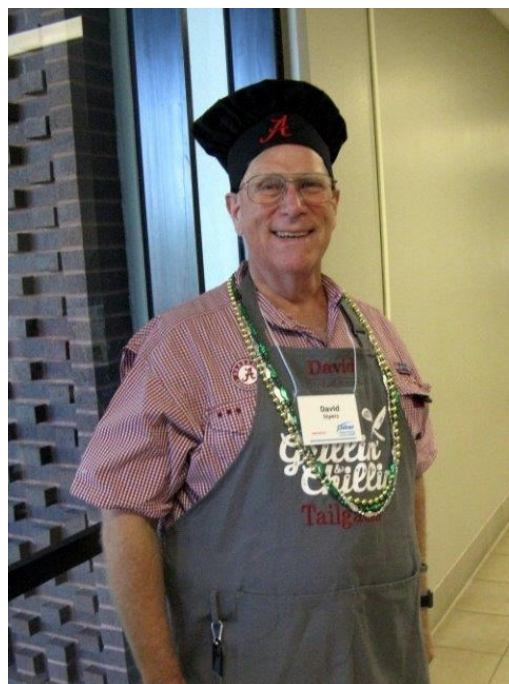

Several of us just came back from a conference on learning in retirement at The University of North Carolina in Wilmington, NC. I think we all gained a lot from the conference. A key element of the conference was how social interaction is crucial for the Lifelong Learning Process. As a matter of interest, Jerry Pang, Fathia Hardy and I put together a presentation on this that I presented at the conference. The main topic of the presentation stated how social integration and close interactions promote longevity three times better than weight loss, three times better than exercise, and five times better than controlling blood pressure. To me, that means that our OLLI Family is a key element of both a long life and a quality life. As a point of data, we average four hundred and eighty-five people in course each term of our eleven hundred members. To me, this indicates each of you feel our community is important, and you want to maintain a part of that. I thank you for being a part of OLLI at UAH.

We just completed our Fall-Kick Off/Open House. It was a great success with more than one hundred and fifty people attending. Thank you for participating.

Don't forget to register for Fall Courses, if you have not registered already. When you do register don't forget to get your new parking pass. We don't want you to have to experience a parking fine.

Finally, please take a moment to speak to our new OLLI Program Manager, Ale Pacheco, when she is out and about taking care of your program. She needs our support as she integrates into our family.

# CURRICULUM COMMITTEE

## READY FOR THE NEW TERM

Even though the summer temperatures remind us that fall is not here yet, your volunteer Curriculum Committee and UAH staff are busy getting ready for our Fall Term at OLLI. Open House was a big success again and we were glad to see our friends and welcome many newcomers. Ale

Pacheco was amazed to see such a wonderful turnout on her third day in the office!

There is a wide array of interesting courses offered this fall. We welcome returning teachers who graciously volunteer each term and we are also happy to have some new faculty. David Styers is happy to have Rexanne Warfel co-teaching the *Grilling, Chilling and Tailgating*, Betty Koval is excited to be hosting *Fireside Chats with Authors*; Dr. Dorla Evans, recently retired UAH Professor, will be teaching *History and Future of Money*; Dr. Patti Patrick will be taking over the *Everyday Ethics* course as Randy Frederick moves to *Socrates Cafe*; Fathia Hardy, our Associate Director in CPCS, will co-teach *Black and White: Conundrums on Race*; Dr. Tara Bulger, will teach *Rhetoric and Great Speeches of the 20th Century*; Steve Kaiser will tackle *Sociology and Everyday Life*; Dr. John Scales will do *A Survey of Afghanistan*; and Dr. Tommy Morris will do *Homebrewing Made Easy* as a Thursday After Five course.

As we begin a new academic year, it gives me another opportunity to invite any OLLI member to become a member of the Curriculum Committee. We meet on the third Friday of each month at 1:00 pm and are always searching for new folks to discuss course ideas, find new instructors, and generally help manage our three terms of courses. It is a very compatible group and we would love to have you.

Likewise, if you have a desire to teach a course or have a lead on someone who could teach for us, please do not hesitate to share that desire and information with me at [OLLICurriculum@uah.edu](mailto:OLLICurriculum@uah.edu). "Many hands make light work", so do consider joining us this year as a committee member, teacher, or classroom facilitator. We are also looking for a Weekly Bonus Discipline Chair, to help us coordinate with future presenters.

We are ready to begin another great year of learning and sharing ideas at OLLI!

## TRAVEL WITH OLLI IN 2020

As the Chair of the newly formed Travel Committee I hope everyone has seen the latest information on the trips we have to offer.

The first is an ART & MORE trip (as I call it). We are going to Philadelphia on June 11-16, 2020 to see wonderful art and (the

MORE is) all the historical sites involving the founding of our country. This is a Road Scholar trip which is always very informative. To enroll by telephone, please call **Road Scholar toll free at 800.322.5315, reference Program # 23179 – A World of Art: The Barnes Foundation, Murals & More** starting on 6/11/2020 and note that you are an OLLI Member at UAH.

**PLEASE do sign up NOW – deposit deadline is September 15, 2019!**

You only have to make a \$100/ per person deposit and if you would like to purchase trip insurance it will be \$130/ per person. The cost of the trip is **\$1,549.00 – double / per person and \$2,089.00-single/per person**. You may also book online by going to [www.roadscholar.org](http://www.roadscholar.org) and use the program #23179 to book as an OLLI member. You do have to make your own transportation arrangements to Philadelphia for this trip. I hope you join us.

Our second trip is to South America on December 3-19, 2020 with pre and post trip options and airfare from Huntsville available. Nancy Darnall has done a fantastic job procuring this trip. Please do consider this trip. I have not seen one with all these options for this price. **For reservations please call Grand Circle Travel at 800.597.2452 and reference this code when booking – G0-26157.** The cost for the 16 days is \$5265.00/per person with airfare included. Please see the brochures in the volunteer office for more information. I do hope you will consider this trip. I know you will not regret it.

I am quite sure the group going on the Danube Christmas Market River Cruise in December 2019 will have a wonderful trip as well. It is a small but mighty group headed by Irene Garoppo.

The group who toured the western National Parks in July had one of the best trips due in large part to the Program Director we had. We liked him so much we are working on plans for a southern route of western National Parks in late summer of 2021- more information to follow.

The committee will meet after classes begin for the fall term to plan for more trips and exciting adventures. This is a great way to meet and get to know your fellow OLLI members.

Looking forward to many more adventures!

## OLLI IS STRONGER WITH VOLUNTEERS

Are you looking for opportunities to meet OLLI members and get involved in our organization? **Try volunteering!** One of the best opportunities to meet people and know what's going on is to volunteer in the OLLI Office each week. If you have a morning class and another in the afternoon and

are trying to figure out a way to pass time, the office is a great place to do it.

Becoming an office volunteer is one of the **BEST** ways to meet OLLI members outside the classroom environment. You get acquainted with the UAH staff, teachers, facilitators, students who stop by for information, or just to chat.

This opportunity is very easy. We make sure coffee is available in the lounge, usually only making it first thing in the morning, then others make it as it's consumed. A big part is answering questions, especially during the first couple of weeks of each term; things like the location of classes, how to use the A/V equipment, how to register and how to get a new/updated parking permit. Easy stuff!

Our volunteer office is located in Wilson Hall, room 151 and sometimes is a bustle of activity with people dropping in to get information, pass time before going to class, or stopping in to chat with other members. There are many times you'll find three or four people just chatting.

There are still several shifts available for the Fall Term. As of this writing, we have the **8:30 shift on Thursday** (*great if you have an 10:30 class*), **12:30 shift on Wednesday**, and the **2:30 shifts on Tuesday and Wednesday**. It's very easy to do, training is provided, and there is a handbook in case someone comes up with a question you aren't sure about.

If you think you may be interested in this opportunity or would like additional information, please contact **Irene Garoppo**, [igaroppo@knology.net](mailto:igaroppo@knology.net) for available shifts and/or information.

## NATIONAL PARKS TOUR

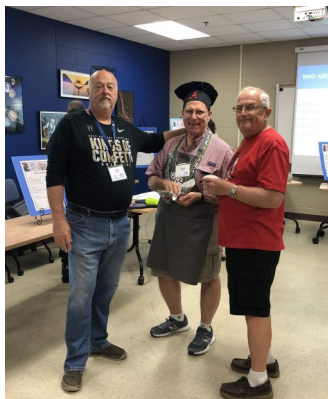

A group of 29 members flew to Salt Lake City, and spent the next 12 days touring a portion of the west. They toured the city and even experienced dipping their fingers and toes into the Great Salt Lake. Members attended an organ recital and choir practice. WHAT an unexpected treat, one of many!

Montpelier, Idaho offered The National Oregon/California Trail Center. Members learned about the wagon trains and how most settlers DID NOT RIDE in the wagons – they walked! In Jackson, WY they enjoyed a rafting adventure on the Snake River with the Tetons in the background. They entered the Grand Teton National Park and each of them had their pictures taken – what a great backdrop! Yellowstone was a sight to behold! The Badlands held majestic scenery which made for many photo stops for the members. They also visited the Fort Phil Kearny Historic Site and learned from a local historian about Red Cloud.

Members ate more, saw more and learned even more than mentioned. This was one of the best ways to get to know fellow OLLI members, have fun and learn a bit more about the world!

## REMEMBERING THE LIFE OF CHUCK

April 9, 1930 - August 12, 2019

**Charles 'Chuck' Edward Duffy**, former OLLI at UAH President in 2011, 89, of Huntsville was born in Davenport, Iowa. He was the son of Thomas and Genevieve (Volz) Duffy. Chuck graduated with a Bachelor of Arts degree from St. Ambrose College in Davenport, Iowa. During his college years, he served with the Air Force in France, an experience that started his love of traveling and living abroad.

After college, he joined the *Foreign Service* and served as a diplomat in Laos and in multiple locations in Japan including Tokyo, Sapporo, Yokohama and Kobe. He later became a banker, first with *JP Morgan* in New York, Tokyo, and Hong Kong and then with Mellon Bank in Pittsburgh and Tokyo. After banking, he became a partner at the executive search firm of *Heidrick and Struggles* and

opened their Tokyo office. At the end of his career, he was the Executive Director of the *American Chamber of Commerce* in Japan.

In Huntsville, Chuck was involved with the *Osher Lifelong Learning Institute at The University of Alabama in Huntsville*, where he taught a wide variety of classes and held several volunteer administrative positions including President of the Board. He also enjoyed his wonderful community of friends at *Magnolia Trace*.

Chuck was preceded in death by his beloved wife of forty-three years, Matsuko (Kabayama); brother Thomas; and sister, Mary O'Leary, both of Davenport, Iowa.
