Crime Alert

Offense: Burglary 3rd Degree

A non-affiliated male was arrested for Burglary 3rd after gaining unauthorized entry into one of the Residence Halls around 8:00 am, November 2, 2019.

While no one was injured, UAH officials take situations like this very seriously and have implemented appropriate measures to prevent these situations in the future.

While the responsibility for criminal behavior rests solely with the perpetrator(s), UAH encourages our community to take the following precautions to prevent similar crimes:

1. KEEP YOUR DOORS LOCKED AT ALL TIMES.
2. Close and Lock your doors at all times even when you are just going next door to visit a friend or to the restroom.
3. Remember that residence halls are restricted to the students who live there and their guests. Don’t allow strangers to enter behind you.
4. Lock your doors while you are inside for personal safety. Be aware of who is at your door. Use your peephole to observe the person at your door. If you don’t recognize them, do not open the door.
5. Never leave entry/exit doors propped open, which could allow an unauthorized person to gain entry into your hall or dorm room.
6. REPORT suspicious behavior or individuals to the UAH Police immediately. DO NOT HESITATE! 256-824-6596 or 6911.
