A. AUTHORITY

These regulations are established under the authority vested by The Board of Trustees of The University of Alabama in accordance with state law. By virtue of the powers granted to The Board of Trustees by the Constitution, The Board of Trustees has the authority to adopt and promulgate reasonable rules and regulations for the management and governance of the institutions. Those powers may be delegated to various University officials for the governance of University affairs, Ref: Alabama-Code §16-47-2, 34 (1975).

B. RESPONSIBILITY OF MOTOR VEHICLE OPERATORS

The responsibility for obtaining knowledge of all state motor vehicle laws and regulations in force rests with each motor vehicle operator. Students, faculty, and staff are expected to be familiar with and abide by the State of Alabama rules of the road. Furthermore, it is the responsibility of those who choose to drive and park on the campus of UAH to read and fully understand these regulations. Vehicles found in violation may be cited, impounded, and operators fined.

It is the responsibility of all individuals who operate or maintain vehicles on the UAH campus to be aware of the regulations expressed herein and to abide by them. The action of any individual operating a vehicle on campus is deemed to be conclusive evidence of his or her acceptance of these regulations and willingness to abide by them.

All rules and regulations are in effect 24 hours a day, 7 days a week unless otherwise indicated. Lack of knowledge of parking regulations will not be accepted as grounds for dismissing citations. Furthermore, being unfamiliar with the rules, having the inability to find a parking space, or lack of time to search for a space are not acceptable excuses for violating a parking regulation.

The fact that a citation was not issued when a vehicle is illegally or improperly parked does not mean or imply that the regulations or laws are no longer in effect.

C. GENERAL REGULATIONS

These regulations supersede all those previously published, become effective September 1, 2017 and are subject to change at any time.

**K. SPECIAL EVENT PARKING**

Parking inside the interior of the John Wright and Ben Graves loop is typically restricted to individuals with a UAH Permit. Student groups or departments planning to conduct meetings, workshops, conferences, or special events, to which persons from off campus will be invited, should contact the UAH Police Department Parking Management Office at 256-824-6596, at least one month in advance of an event. It's important that departments do this BEFORE sending out invitations or advertising an event because parking resources may not be available. Availability to reserve on campus parking for events is not guaranteed. Every effort will be made to accommodate requests. However, university affiliated parking customer rights and accommodations take priority.

On Monday - Friday from 7:30 am – 5:30 pm, while classes are in session, events with fewer than 30 guests, events hosted by the Office of Admissions and other units for student recruiting purposes, and events as determined by the Chief of Police in consultation with the President for which parking accommodation is in the best interest of the University may be provided parking in assigned lots. Events with 31 or more guests may be assigned to satellite parking lots. It is recommended event planners arrange for a shuttle service to transport guests to and from satellite parking lots to the event venue.

During the week if classes are NOT in session group parking can normally be accommodated in “Commuter and Faculty/Staff” lots located around campus. The UAH Parking Management Office will determine availability and assign lots based on expected attendance and other planned events.

On the weekends and holidays, parking is generally more available everywhere on campus. Coordination with the UAH Parking Management Office is still required.

Only the UAH Chief of Police may authorize the closure of a University parking lot or street for a special event that will cause the displacement of students and employees from parking in their approved zoned lots or re-routing of regular traffic flow.
Social events in the IMF are prohibited.
