

THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

VEHICLE SAFETY MANAGEMENT PROGRAM

Number 01.03.02

Division President's Office – Risk Management

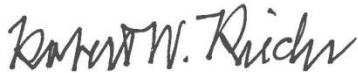

Date February 25, 2005

Purpose This manual of policies and procedures (the "Manual") combines various vehicle safety practices and procedures of The University of Alabama in Huntsville (the "University" or "UAH") into a comprehensive set of policies and procedures that constitutes the University's Vehicle Safety Management Program (the "VSM Program" or the "Program"). It is intended to foster a proactive approach to safe driving practices, thereby promoting the safety of University employees and the general public and reducing the number of vehicle accidents.

Policy **Vehicle Safety Management Program**

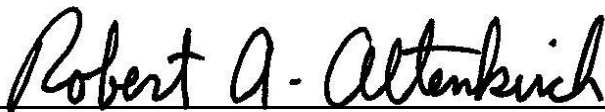

Review The Office of Counsel is responsible for the review of this policy every five years (or whenever circumstances require).

Approval

Chief University Counsel

APPROVED:

President
