

# THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

## NON-HONORS COLLEGE STUDENTS IN HONORS SECTIONS

<b><u>Number</u></b>	02.01.30
<b><u>Division</u></b>	Academic Affairs
<b><u>Date</u></b>	November, 2014
<b><u>Purpose</u></b>	Establish a policy for admittance of non-Honors College students into Honors sections.
<b><u>Policy</u></b>	Non-Honors students may be admitted to Honors courses if the students meet the Honors College admittance criteria and if there are seats available in the Honors course.

### **Procedure**

#### **Non-Honors Students in Honors Courses**

UAH students who are not part of the Honors College may enroll in Honors Courses provided:

1. Their cumulative GPA is at least 3.25
2. They do not take seats away from Honors College students who also wish to register for the course.

#### **Dual-Enrollment Students in Honors Courses.**

As high school students, dual-enrollment students must meet the criteria 1(a)-(c) required for first-time full-time freshman (see Policy 02.xx). They will be subject to the same restrictions as non-honors students in Honors Courses.

#### **Monitoring of Honors Sections**

The Honors College Coordinator monitors class enrollments, and will inform non-Honors students if they must withdraw from an Honors Section.

<b><u>Review</u></b>	The Honors Dean, in consultation with the entire Honors Council, is responsible for reviewing these policies every 5 years and for making other changes as needed. This policy was last reviewed in November 2014, and will require review again in November 2019.
