

THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

OFFICE OF UNDERGRADUATE ADMISSIONS- ACADEMIC PLACEMENT POLICY

Number 03.04.05

Division Student Affairs Enrollment Management

Date February 12, 2015

Purpose The purpose of this policy is to publish and make available in a standard format the Office of Undergraduate Admissions Academic Placement Policy to the campus community. This information will be beneficial for campus partners to be mindful and familiar with as recruitment and enrollment continue to be a campus wide-initiative.

Policy The Office of Undergraduate Admissions Academic Placement Policy is for incoming freshmen who are beginning college-level course work in English, Mathematics, Foreign Language and Chemistry. These students are placed at the level that best corresponds to their academic groundwork. Standardized test scores or Advanced Placement scores are used to determine assignment depending on the subject. The Academic Placement Policy allows for students who have prior knowledge in certain academic areas to be placed at an advanced level.

Procedures Placement for incoming freshmen is initially based upon their performance on college entrance exams by subject area, departmental designated subject area on entrance exams (i.e, Chemistry placement is based upon Math sub-score), or satisfactory completion of academic units while in high school. Further, students can earn credit and/or placement based on performance in Advanced Placement, International Baccalaureate or college courses in a Dual-Enrollment program. If a student receives credit via Advanced Placement or International Baccalaureate, that credit will supersede the placement initially awarded by the Admissions Office based on ACT/SAT test scores presuming it places the student at a higher level.
