Division	Research and Economic Development - Office for Proposal Development
Date	September 3, 2014; Reviewed/Revised February 26, 2026
Purpose	To establish policy regarding the internal selection of proposals and subsequent submission of the selected proposal(s) to the funding agency where the agency's funding program has placed a limit on the number of proposals a university can submit in response to that program. These funding opportunities are known as Limited Submission Opportunities (LSOs).
Policy	This policy establishes the guidelines used to coordinate the internal selection of proposals submitted in response to an LSO solicitation by The University of Alabama in Huntsville (UAH), Office of The Vice President for Research and Economic Development.
Procedures	Currently open programs are posted on the OPD website on the LSO page with the UAH deadline listed first. UAH research personnel are notified when an LSO deadline is approaching. All internal Notices of Intent (NOIs) to submit will be prepared in accordance with the established procedures located on the LSO webpage as well as the reminders chart of the Director's Message of the Weekly Funding Bulletin.
Review	The Office for Proposal Development is responsible for the review of this policy every five years (or whenever circumstances require).
