

**THE UNIVERSITY OF ALABAMA IN HUNTSVILLE**

**LAB SAFETY MANUAL**

<b>Number</b>	07.07.02
<b>Division</b>	Research and Economic Development - Office of Environmental Health and Safety
<b>Date</b>	September, 2013; Revised February 21, 2024
<b>Purpose</b>	The purpose of this manual is to ensure safe practices are utilized in laboratories and that safe facilities are offered to the UAH Community. Maintaining compliance with federal, state, and local laws and regulations pertaining to laboratory safety and hazardous materials management is essential to this commitment.
<b>Policy</b>	<a href="#"><u>Lab Safety Manual</u></a>
<b>Review</b>	The Office of Environmental Health and Safety (OEHS) is responsible for the review of this policy every five years (or whenever circumstances require).
