

THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

BLOODBORNE PATHOGEN CONTROL PLAN

Number	07.07.05
Division	Research and Economic Development - Office of Environmental Health and Safety
Date	September 1, 2013; Reviewed and Revised May 1, 2021
Purpose	Using the OSHA Bloodborne Pathogens Standard, 29 CFR 1910.1030 as a guide, UAH has developed an Exposure Control Plan, otherwise known as the UAH Bloodborne Pathogen Control Plan, to eliminate or minimize occupational exposure to bloodborne pathogens.
Policy	It is the policy of UAH that the most recent revision of the UAH Bloodborne Pathogen Control Plan must be followed by all members of the UAH community including staff, faculty, and students at all times.
Review	The Office of Environmental Health and Safety (OEHS) is responsible for the review of this policy every five years (or whenever circumstances require).
