

**Summary drafts for editing.**

**Mission:**

**The University of Alabama in Huntsville is a research intensive, technological university leveraging its location in, and serving, Alabama's scenic technology corridor and beyond whose mission it is to engage in exploration and discovery, to create and communicate knowledge, and to provide a highly rigorous and relevant education required of leaders, innovators, and engaged citizens of the future who possess critical thinking skills and a passion for learning.**

**Vision:**

**The University of Alabama in Huntsville will be a preeminent technological research university known for integrating science and engineering with the arts and business and health care professions, a first-choice university that provides an inspiring experience that instills the spirit of discovery, an ability to solve complex problems, and a passion for improving the human condition in a diverse World.**
