

## University Library Committee Meeting

Summary: The Library Committee met on Dec. 4, 2019. Topics of discussion included the status of the Library's budget for collections/resources, the process for requesting that the Library order specific new materials, enhancements to uah.edu/library and to the Library's online discovery tool Primo Pathfinder, physical enhancements to the Library, book borrowing / circulation, the Library Instruction program, outreach efforts, the Multimedia Lab and Makerspace, and Archives/Special Collections. David Moore (Director of the Library) provided a detailed status update about these different aspects of the Library operations, and the other committee members were very engaged in this discussion.
