

2025-2026 Program Assessments for Improvement Report (PAIR)

Name of Program:

Outcome 1

Phase 1: Identification of the Program's Expected Outcomes (PO)

Table 1: Expected Program Outcome

| |
|--|
| |
|--|

Table 2: Program Outcome is Related to the University Strategic Plan (Please see the university strategic plan for goals set forth by the institution. You should have at least one goal linked to the university plan.)

| |
|--|
| |
|--|

Phase 2: Identification of Appropriate Ways to Measure Expected PO

Table 3: Description of measurement methods used to measure PO and their appropriateness/validity

| |
|--|
| |
|--|

Phase 3: Assessments Conducted of PO Achievement and the Detailed Assessment Results, Including Distributions of Achievement Levels Detected

Table 4: Where, when, and for how many students the SLO achievement levels were assessed per Table 3

| | |
|----------------------------|--|
| Where (course) | |
| When (semester) | |
| Total # of Students | |

Table 5: Detailed assessment results, including distributions of achievement levels detected for the outcome (if using tables/charts, provide relevant information to explain them)

| |
|--|
| |
|--|

Phase 4.1: Analysis of What the PO Assessment Results Mean

Table 6: Analysis and interpretation of the meaning of the assessment results per the PO in Table 5 (Discuss all achievement levels)

| |
|--|
| |
|--|

| |
|--|
| |
|--|

Phase 4.2 Identification of the Top Priority for Program Improvement This Year Based on the Analysis

Table 7: Identification of top priority for program improvement after considering all analyses of results in phase 4.1

| |
|--|
| |
|--|

Phase 5: Evidence of Actively Seeking Program Improvement Based on Analysis of Assessment Results in Phase 4

Table 8: Evidence that the identified priority for program improvement in phase 4.2 is actively underway or completed

| |
|--|
| |
|--|

Phase 6: Evidence of Repeated and Ongoing PO Assessment for Continuous Program Improvement and changes for the next reporting cycle.

Table 9: Description of the history of this program's repeated and ongoing PO assessment process and commitment to continuous program improvement based on the analysis of PO assessment results, supported by including trend data.

| |
|--|
| |
|--|

Table 10: Changes (if any) for the next reporting cycle

| |
|--|
| |
|--|
