

Student Conduct Board  
Jimmy Hubbard, Director of Student Ethics and Education

Fall 2019 Semester Report  
January 13, 2020

The Student Conduct Board meets on an as needed basis throughout the year. Generally, we have a training session for new members during January or Early February. That event has not been set at this time. When the board does meet it is only three members at a time to meet with students involved in an incident. We have not had any cases go to the board yet, this academic year.
