The University of Alabama in Huntsville
A Bill to Mandate Regular SGA Newsletter Press Releases

Whereas,

1. The University of Alabama in Huntsville (UAH) Student Government Association (SGA) does not regularly relay SGA proceedings and operations to the general UAH student body; and
2. UAH students have actively voiced their concerns of lack of communication and transparency from the SGA to the student body; and
3. The Charger Student Newsletter routinely sends out emails on Mondays, which are read by the student body; and
4. The Charger Connect Portal has homepage headlines and articles available to all users.

Therefore, let it be hereby enacted that The Student Government Association of The University of Alabama in Huntsville shall:

1. Provide a biweekly press release to be included in the Charger Student Newsletter and Charger Connect Portal every 1st and 3rd Monday of the month.
2. Require senators and cabinet members to submit SGA passed bills and resolutions, events, initiatives, polls, and meeting minutes to the SGA Public Relations and Promotions Committee the Monday prior to the biweekly press release.
3. Designate the SGA Public Relations and Promotions Committee to submit said press releases to the Charger Student Newsletter and the Charger Connect Portal.
