Thanks to his highly rated Comedy Central Presents half hour special, Pete has packed venues at over 500 colleges and universities across the country. Pete has also been a standout on NBC’s Last Comic Standing. His hit YouTube series titled “Pete Lee’s Internet Freak Show” attracted the attention of television executives. He was quickly hired to be a writer and cast member on FUSE TV’s Video on Trial and cast member on VH1’s Best Week Ever. Pete is a rising star in the college market and on television, but he is also really fun to have dinner with at your town’s Applebee’s.
