What is tutoring?
The Tutoring Programs offer academic coaching, writing tutoring, and content tutoring in a variety of subjects. Our goal is to work with students not only on content, but also on study and learning strategies so that students can become independent learners. The Tutoring Programs provide academic assistance to students through one-on-one and small group sessions.

What’s the role of a tutor?
As a tutor, you will work with students on course content and study strategies so that students can gain competence in the subject and become independent learners. Typically, tutors hold 6-12 regularly scheduled hours a week. Tutors attend monthly training sessions to grow as a tutor and obtain tutor certification. Additional responsibilities include advertising the program, communicating with the coordinators, working events, and maintaining accurate records in the software system.

What is an academic coach & how do I become one?
Academic coaches work with students in one-on-one and small group sessions to develop academic and self-management skills. Academic coaches undergo both the monthly tutor training and additional coaching training. Typically, academic coaches are chosen from the existing tutors.

How much are tutors paid?
Tutors start off earning $10.00/hr. You have the opportunity to earn more as you gain experience and participate in training.

What are the qualifications of a tutor?
- Currently enrolled UAH student
