“My favorite part of my New Student Orientation experience was forming friendships in my Charger Chat group. These connections really set me up to have a good network of friends even before my first day of class! I kept in touch with my group, met up with them during Week of Welcome, and always had someone to hang out or grab dinner with.”  
- Tejas, Aerospace Engineering, Charlotte, NC

“I chose UAH because of its size and hometown feel! I enjoyed the fact that I could live in a bigger city, like Huntsville, but also feel like UAH was its own small community!”  
- Cat, Nursing, Ashford, AL

“My favorite thing about my New Student Orientation session was the seamless transition to Week of Welcome (WOW) events. This helped get me acclimated to the college environment.”  
- Olivia, Mechanical Engineering, Decatur, AL
