**SCHOLARSHIPS**

### FRESHMAN ACADEMIC SCHOLARSHIPS

UAH’s Freshman Academic Scholarships recognize incoming first-time freshmen (including international students) who have demonstrated superior academic achievement in high school. First-time freshman students admitted for the summer 2021, fall 2021, and spring 2022 terms will be considered for these awards based upon residency, standardized test scores, and high school GPA. View more information about Freshman Academic Scholarships at [uah.edu/scholarships](http://uah.edu/scholarships).

These four-year academic-based awards will be credited directly to your myUAH account each semester as long as the requirements below are met. The scholarship you have been awarded is listed on your acceptance letter as well as in your myUAH account. UAH will take the highest ACT or SAT score from any one test sitting until April 15 of the year you graduate high school. Any updated scores will need to be sent to the Office of Admissions.

### TRANSFER STUDENT SCHOLARSHIPS

UAH recognizes the academic success of new transfer students who are seeking their first bachelor’s degree by offering special two-year transfer scholarships. View more information about Transfer Student Scholarships at [uah.edu/scholarships](http://uah.edu/scholarships). These two-year academic-based awards will be credited directly to your myUAH account each semester as long as the requirements below are met. The scholarship amount you have been awarded is listed on your acceptance letter as well as in your myUAH account. If your GPA increases once we receive your final transcript and it puts you in a higher scholarship bracket, we will automatically upgrade your scholarship. Any updated transcripts will need to be sent to the Office of Admissions.

LOANS

FEDERAL DIRECT LOANS: These are low-interest loans for students and parents to help pay for the cost of a college education. The lender is the U.S. Department of Education. These loans typically have low interest rates and offer attractive repayment terms, benefits, and options. Generally, repayment of a federal loan does not begin until after the student leaves school.

THESE LOANS ALLOW YOU TO:
- Borrow directly from the federal government and have a single contact for everything related to repayment.
- Choose from several repayment plans and change repayment plans if necessary.

TYPES OF FEDERAL DIRECT LOANS

SUBSIDIZED AND UNSUBSIDIZED: Both have a fixed interest rate of 2.75% for undergraduate students.

SUBSIDIZED LOAN: Awarded on the basis of need and other specific federal requirements. The student is not responsible for interest while in school or during deferment periods as long as the borrower is enrolled at least half-time (6 hours per semester).

UNSUBSIDIZED LOAN: Not based on financial need. Borrowers of unsubsidized loans are charged interest from the time the loan is disbursed until it is paid in full.

Additional unsubsidized loan funds may be available for borrowers who are independent of their parents, according to the federal financial aid definition, or whose parent(s) can document denial of a Federal Direct Parent Loan for Undergraduate Studies (PLUS) due to adverse credit history. The additional unsubsidized limits are $4,000 for first- and second-year students, and $5,000 for third- and fourth-year students.

If you are eligible for a subsidized/unsubsidized Direct Loan, it will appear on your financial aid award letter. You have the option to accept, decline, or reduce the amount of the loan. All Direct Loan borrowers are required to sign a Master Promissory Note (MPN) and complete Entrance Counseling before the loan can be processed and funds disbursed to the student account. To complete the MPN and Entrance Counseling, follow instructions at studentloans.gov.

TO ADJUST OR CANCEL YOUR LOAN:
- Log in to your student account via my.uah.edu using your Charger ID and password.
- Select first “Financial Aid,” then “Award,” then “Award for Aid Year,” then “Aid Year,” and finally the “Accept Award Offer” tab.
- Click on the Loan Adjustment option.

FEDERAL DIRECT PARENT LOAN FOR UNDERGRADUATE STUDENTS

The Federal Direct Parent Loan for Undergraduate Students (PLUS) is an option for your family once any remaining balance due is determined. Parents may wish to consider a Federal Direct PLUS. This can be used in addition to or in place of using savings or other investments.

This is a 5.30% fixed-rate loan that enables a parent with good credit history to borrow up to the cost of attendance. Parents are charged interest from the time the loan is disbursed until the loan is paid in full. The student must be enrolled at least half-time (6 hours per semester). While demonstrated financial need is not required, a credit check is. Repayment of a Federal Direct PLUS begins following the final disbursement for the year.

If a parent is denied the Federal Direct PLUS, their student is automatically eligible for additional unsubsidized Direct Loan funds: $4,000 freshman/sophomore; $5,000 junior/senior.

The annual limits below govern the subsidized and unsubsidized Direct Loan programs.

- Freshman: $5,500 ($3,500 subsidized/ $2,000 unsubsidized)
- Sophomore: $6,500 ($4,500 subsidized/ $2,000 unsubsidized)
- Junior/Senior: $7,500 ($5,500 subsidized/ $2,000 unsubsidized)

FAQ

HOW DO I APPLY FOR A FEDERAL DIRECT LOAN?

Once UAH receives your FAFSA results you are automatically awarded the Federal Direct Loan, either subsidized or unsubsidized, depending on the FAFSA results.

WHAT IF I RECEIVE AID FROM ANOTHER ORGANIZATION?

Students are required to report scholarships from sources outside of UAH. If it’s necessary to make an adjustment to the financial aid package our Office of Financial Aid will reduce self-help aid first (e.g., loans with the highest interest rate).

WHEN DO I PAY MY BILL?

Tuition bills are posted electronically on your student account prior to the beginning of each semester. All tuition and fees are due on the first official day of each semester. Tuition bills are not mailed to students.

WHAT IS VERIFICATION AND WHAT SHOULD I DO IF I AM SELECTED?

The U.S. Department of Education and/or UAH will select students for a process called verification. If you are selected for verification of information, the Office of Financial Aid will send you a request, by UAH email, for additional, missing, or incomplete documents. Please respond to these requests as soon as possible, as awards are not final until the verification process is complete.

HOW DOES PARTICIPATING IN A CO-OP PROGRAM AFFECT MY SCHOLARSHIP?

For students who participate in a university registered/approved co-op program, scholarship funds will be only disbursed for the semesters during which the student is enrolled for a minimum of 12 credit hours. For additional information, please contact the Office of Career Services.

The UAH Bookstore offers a variety of used, new, and electronic textbooks available for purchase or rent. The cost of books will vary depending on your major and the number of classes that you take. Finding your textbooks is easy due to automatic registration integration that automatically shows the required textbooks for your classes. Please visit uah.edu/bookstore for more information and specific pricing.
