2. How much does it cost?

UAH provides a half-tuition scholarship for each dual enrollment course you take. This is an automatic scholarship and is only applied to tuition. It does not cover fees. Please visit uah.edu/bursar/tuition for current tuition rates and fees.

3. When is tuition paid?

Tuition is due on the first day of classes. You may set up a payment plan through the Bursar's Office, and you may also choose to begin payments earlier than the first day of class.

4. How do I access my student account?

6. How does my high school receive my final course grade?

UAH will automatically send your final grade to your high school at the end of the semester, so you do not have to request for it to be sent yourself. If you do not wish for your dual enrollment class to be counted as high school credit, you must communicate this to your high school yourself. If you have any unpaid tuition, parking tickets, or fees of any kind, UAH will not be able to send your transcript until those fees are paid.
