FINANCIAL AID TIPS

1. The general rule of thumb is: the earlier the better! We recommend applying for admission, completing the FAFSA, and letting us know of your enrollment plans as soon as you are able to do so.
2. The Office of Financial Aid needs to know about all funds you receive in support of your education, even if they weren't awarded by UAH
3. Federal veterans' benefits are processed by the UAH Military and Veterans Programs office
4. PACT Plans and other 529 Plans are processed by Bursar's Office
5. Once you are admitted, check your UAH email on a regular basis! This is how we communicate with you.
