

The Dr. Daniel G. Hays Memorial Scholarship

The Dr. Daniel G. Hays Memorial Scholarship is awarded to a College of Liberal Arts student based on demonstrated academic achievement and accomplishment, leadership potential, and participation in community and professional activities and accomplishments, which may include the field of Psychology.

The scholarship was established in loving memory of Dr. Hays by his family, colleagues, and friends in 1994. He served as an associate professor of Psychology, and greatly strengthened UAHuntsville's teaching, research, and service programs. Dr. Hays asked that this scholarship be established because of his strong belief in the importance of providing scholarships to students.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (undergraduate - 12 credit hours, or graduate – 9 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year, have a cumulative GPA of 3.0 or higher, and must submit a scholarship application by the priority deadline **each year**, providing continued evidence of leadership potential and participation in community and professional activities, to be eligible for renewal of this award.
