

## **The Dr. Sharon Hilton Harwell Education Scholarship**

The Dr. Sharon Hilton Harwell Education Scholarship is given to an education major pursuing a degree and/or certification to teach science at the middle or secondary school level, who displays academic excellence and is active in University and community life, with preference given to applicants with demonstrated financial need.

The scholarship was established by Dr. Sharon H. Harwell in 2006 to benefit students at the University of Alabama in Huntsville. Dr. Sharon Harwell is retired from UAH where she served as associate professor of Education.

This scholarship is renewable for up to one additional year. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
