

The Irene Wright Scholarship

The Irene Wright Scholarship is awarded to a student who is pursuing a degree in an arts, humanities, or social sciences discipline. The award is based on academic merit, demonstrated citizenship and leadership qualities, and financial need.

The scholarship was established in 2001 by former UAH President John C. Wright in loving memory of his mother. As a teacher and parent, Mrs. Wright nurtured a lifelong love of learning and made a difference in many lives.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
