

The UAH Sociology Scholarship

The UAH Sociology Scholarship is awarded based on academic merit to a junior or senior student majoring in sociology, with preference to applicants with demonstrated financial need.

The UAH Sociology scholarship was established in 2008 to benefit students enrolled at the University of Alabama in Huntsville.

This scholarship is renewable for one additional year. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
