

The Martin Family Trust Scholarship

The Martin Family Trust Scholarship is awarded based on academic merit, demonstrated community service, and citizenship. Preference is given to scholar-athletes on the ice hockey team and to students pursuing a career in teaching at the elementary or secondary education level.

The scholarship was established at the University of Alabama in Huntsville in 2001 by a family who achieved distinction in business, education, and community service. Mr. and Mrs. C. Lyndon Martin of Huntsville were long-time supporters of the University and desired to help outstanding students pursue a college education.

This scholarship is a one-year award and is not renewable. However, the recipient may compete to receive the award up to three additional years by submitting a scholarship application by the priority deadline each year, providing continued evidence of community service and leadership. The student must maintain a full-time course load (undergraduate - 12 credit hours, or graduate - 9 credit hours) and have a cumulative GPA of 3.0 or higher. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
