

The Benjamin and Hazeline Graves Scholarship

The Benjamin and Hazeline Graves Scholarship is awarded to a full-time junior or senior undergraduate level student enrolled in the College of Business, with a preference given to students majoring in Management or Marketing. This award is based on academic merit, citizenship, and leadership.

Established in 2000 this scholarship honors the achievements of Benjamin and Hazeline Graves. Dr. Graves served as the first president of UAH from 1970 to 1978, and was designated the first University Professor Emeritus in the College of Business upon his retirement. Mrs. Graves made important contributions to the successful development of the university during its formative early years.

This scholarship is renewable for up to two additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
