

The ASWANCC Consulting, Inc. Scholarship

The ASWANCC Consulting, Inc. Scholarship is awarded to a full or part-time junior or senior level student pursuing a major in Civil and Environmental Engineering, with preference to those who demonstrate financial need.

The scholarship was established in 2005 by ASWANCC Consulting, Inc., an Alabama corporation, to benefit students at the University of Alabama in Huntsville.

This scholarship is renewable for up to two additional years. The student must show satisfactory progress toward achieving a degree and have a cumulative GPA of 2.5 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
