

## **The Alexander and Barbara Poularikas Scholarship**

The Alexander and Barbara Poularikas Scholarship is awarded to an undergraduate electrical engineering major who shows evidence of leadership and service to the University and community, specifically as a participant on an intercollegiate athletic team, as well as an interest in and ability to carry out research.

This scholarship is a one-year award and is not renewable. The student must maintain a full-time course load (12 credit hours) and have a cumulative GPA of 3.0 or higher. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
