

## **The Broadus Adair and Leila Roberts Fincher Scholarship**

The Broadus Adair and Leila Roberts Fincher Scholarship is awarded to a full-time student majoring in Engineering. The award is based on academic merit, citizenship, and leadership.

The scholarship was established in 1999 in loving memory of Broadus Adair and Leila Roberts Fincher. They were the parents of Nancy F. McManus, who served with distinction as UAH Director of Alumni Relations for many years.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
