

## **The Carl M. Ziemke Memorial Research Award**

The Carl M. Ziemke Memorial Research Award is given to an undergraduate student majoring in Mechanical and Aerospace Engineering, Industrial and Systems Engineering, or Engineering Management who exhibits a commitment to research.

The award was established in 1999 in loving memory of Mr. Carl M. Ziemke by his wife, Betty. Mr. Ziemke served as president of the Alabama Society of Professional Engineers, was a frequent guest lecturer at the University, and published extensively with the University's engineering faculty. The scholarship is designed to recognize outstanding research achievement by undergraduate engineering students at the University of Alabama in Huntsville.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal of this award.
