

The Carol Whitt and James A. Tevepaugh Endowed Scholarship

The Carol Whitt and James A. Tevepaugh Endowed Scholarship is awarded to a full-time undergraduate level student who is majoring in Mechanical and Aerospace Engineering. This award is based on demonstrated financial need, with academic merit as a secondary consideration.

Established in 2009, this scholarship was funded by Carol and James Tevepaugh to benefit students at the University of Alabama in Huntsville.

This scholarship is renewable for up to four additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
