

The Clyde S. and Georgine Jones ECE Department Chair I-VII Scholarships

The Clyde S. and Georgine Jones ECE Department Chair I-VII Scholarships are awarded to undergraduate electrical or computer engineering majors, with preference for those demonstrating financial need.

The seven Clyde S. and Georgine Jones ECE Department Chair Scholarships were established for the benefit of the students at The University of Alabama in Huntsville by Clyde S. Jones, Jr. and Georgine Jones in honor of their children and grandchildren: Clyde S. Jones, III, Catherine Jones Farless, and Curtis S. Jones, Rachel Jones McMauley, Sarah Jones Hard, Thomas C. Farless, and Carrie E. Farless. Mr. Clyde S. Jones has been an adjunct faculty member of the ECE department for over forty years.

These scholarships are renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
