

The Cynthia W. and James E. Smith, Jr. Scholarship

The Cynthia W. and James E. Smith, Jr. Scholarship is awarded to undergraduate junior or senior students who are enrolled in the College of Engineering and pursuing a major in Chemical Engineering.

The Smith Scholarship was established in 2005 in support of the students of the University of Alabama in Huntsville and the College of Engineering.

This scholarship is renewable for up to two additional years. Recipients must maintain a full-time course load (12 hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
