

## **Dr. Jan Davis Engineering Scholarship**

The Dr. Jan Davis Engineering Scholarship is awarded to students enrolled in the College of Engineering who are pursuing a degree in Mechanical or Aerospace Engineering and are to the extent allowed by law, female.

The Davis Scholarship was established in 2007 in support of the College of Engineering. Dr. Davis is a former female astronaut.

This scholarship is renewable for up to two additional years. Recipients must maintain a full-time course load (12 hours) each semester, complete a total of 24 credit hours each academic year, and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
