

The Dr. Robert A. Brown Scholarship

The Dr. Robert A. Brown Scholarship is awarded to a junior or senior majoring in Industrial and Systems Engineering.

The scholarship was established in 1991 in honor of Dr. Robert A. Brown, who retired from UAH after 23 years of service in the College of Engineering. During his tenure, he held the rank of professor and served as teacher, department chairman, adviser, scholar, and researcher.

The scholarship is renewable for up to one additional year. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year, have a cumulative GPA of 3.0 or higher, and **must submit a scholarship application by the priority deadline each year** to be eligible for renewal of this award.
