

Dr. Thomas G. Roberts Engineering and Science Annual Scholarship

The **Dr. Thomas G. Roberts Engineering and Science Annual Scholarship** was established by the board members of Media Fusion, Inc., in 2014 to honor the memory of Dr. Roberts, a board member of Media Fusion. Dr. Roberts was engaged in experimental research for various organizations at Redstone Arsenal for 27 years, between 1957 and 1996. He performed work in many fields including atomic physics, plasma physics, physical chemistry, optical physics, electromagnetic physics, laser physics, high-energy physics, and theoretical physics. This work produced hundreds of publications, presentations, and 70 patents. Dr. Roberts was a champion for education and on the faculty of the University of Alabama in Huntsville, The University of Georgia, Athens College, and The Southern Institute of Technology. This scholarship is to be awarded to undergraduate students pursuing degrees in either engineering or science, and is based on academic merit with a preference given to financial need.

This scholarship is for one year only, but recipients may reapply and be re-awarded.
