

Dr. and Mrs. Clark W. Hawk Scholarship

The Dr. and Mrs. Clark W. Hawk Scholarship is awarded to students enrolled in the College of Engineering with preference to members of the University hockey team.

The Hawk Scholarship was established in 2005 in support of the College of Engineering and the University hockey team.

This scholarship is renewable for up to three additional years. Recipients must maintain a full-time course load (12 hours) each semester, complete a total of 24 credit hours each academic year, and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
