

The Dynetics, Inc. Scholarship

The Dynetics, Inc. Scholarship is awarded to a graduate student pursuing an advanced degree in Electrical and Computer Engineering, Optical Engineering, or Computer Science.

In 1993 the Dynetics, Inc. Scholarship was established to enhance the technological achievements of the Huntsville area by providing financial support for UAH students. Founded in Huntsville, Dynetics provides high quality technical services and products to customers in support of solutions to complex problems of national interest.

This scholarship is renewable for up to two additional years. The student must maintain a full-time course load (9 credit hours) each semester. In addition, recipients must complete a total of 18 credit hours each academic year, have a cumulative GPA of 3.5 or higher, and **must submit a scholarship application by the priority deadline each year** to be eligible for renewal of this award.
