The Francisco J. Collazo Scholarship is awarded to a full-time student majoring in Engineering, Science, Mathematics, or Technology and is based on academic merit, leadership potential, and contributions to school and community.

The Francisco J. Collazo (COLSA) Scholarship was established in 2000 by Collazo Enterprises, Inc. Mr. Collazo is a Huntsville civic leader who founded COLSA, a leading provider of advanced technology systems and services, primarily to U.S. government agencies such as the Department of Defense.

This scholarship is a one-year award and is not renewable. The student must maintain a full-time course load (undergraduate - 12 credit hours, or graduate - 9 credit hours) and have a cumulative GPA of 3.0 or higher. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
