

The Frank C. Liu Memorial Scholarship

The Frank C. Liu Memorial Scholarship is awarded to a student enrolled in the Mechanical and Aerospace Engineering program. The scholarship is based on academic merit, citizenship, and leadership.

The scholarship was established in 1995 in loving memory of Dr. Liu, who taught Engineering at UAH for more than two decades. Dr. Liu, who served as a professor of Mechanical Engineering, began teaching at UAH in 1967. The endowment was established with the support of his family, colleagues, and friends in recognition of Dr. Liu's distinguished service to teaching and higher education.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
