

## **The Fredia Roberts Rhodes Memorial Scholarship**

The Fredia Roberts Rhodes Memorial Scholarship is awarded to a sophomore who is pursuing an Engineering degree, with preference for demonstrated academic merit and financial need.

The scholarship was established in honor of the memory of the late Fredia Roberts Rhodes by her husband, Henry V. Rhodes, to benefit students at the University of Alabama in Huntsville.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
